Why Don't We Earn Big Money?

Reason:

We use only our own time.

Is this some kind of magic? Absolutely not!

This is the power of management.

Prepare a TEAM

Build a strong TEAM.

Work through your TEAM.

1,000 hands will work for you through your TEAM.

Take a Different Path...

Big Opportunity

Big BUSINESS

Big Growth

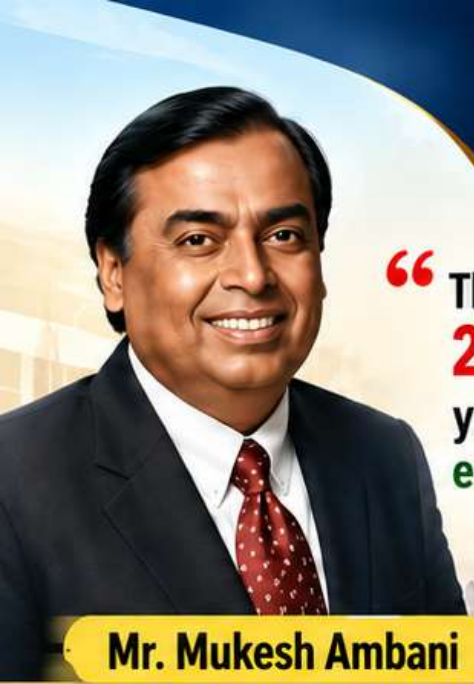

Financial Freedom

If TATA Group became big because of **MANAGEMENT**, you too can become big by using the same principle.

The opportunity is here... The decision is yours!
Take the step today, change tomorrow!

Mr. Mukesh Ambani

How Does a **BIG BUSINESS** Become BIG?

More **WORKING HOURS** = More Work = Bigger BUSINESS = More Money

“There are **24 hours** in a day, yet Mukesh Ambani earns so much money!

Reliance Industries Limited

Just look at the numbers...

Think Big
Then the Future
Becomes Brighter!

AND YOU?

You can work **10 to 15 hours** a day, and at most **20 hours!**

More than **2,00,000 people** work at Reliance Industries!

If one person works for 8 hours, then for Mukesh Ambani:
2,00,000 × 8 Hours = 16,00,000 Hours of Work!

WHY CAN'T WE EARN BIG MONEY?

Reason:
We only use our own time!

Swavalambi india

HOW WILL THIS WORK?

1 Build a **TEAM** of 1,000 people!

2 It will take you **1 YEAR** of **TIME** to build it!

3 After 1 year, your **TEAM** will work for you!

1,000 People X **8 Hours** = **8,000 Hours of Work for You!**

If you earn a certain amount by working 8 hours, then by getting 8,000 hours of work done, you can earn accordingly!

THE WHOLE GAME IS ABOUT WORKING TIME!
